Notes

Pricing example on a £700,000 estate:

4% percentage fee = £28,000, plus £5,600 VAT (not fixed)
KCT bespoke quote* = £7,000 (fixed fee)

**Calculated based on the work involved rather than the value of the estate. Every KCT quote is bespoke to the estate.*

! Early knowledge of this will mean that your client should contact you first, ensuring you and your client keep control of the estate. It will also give you the opportunity to turn the beneficiaries into new clients.
