YOUR PARTNER THROUGH PROBATE

## The award-winning probate and estate administration specialists

### Who are Kings Court Trust?

Kings Court Trust are the UK's award-winning leading probate and estate administration provider, having supported over 35,000 estates in whole or part and distributed many billions of pounds in inheritances.

### What do Kings Court Trust do?

We work with various industry providers to develop mutually beneficial partnerships, with a common goal of providing support to families at the difficult time of losing a loved one. We take care of all the complicated matters after death so that your clients can focus on life's important moments.

**Estate administration is a time consuming and labour intensive process for you and your clients. At Kings Court Trust, we can take care of all the tasks involved:**

Valuing assets and paying debts

Dealing with property

Legal and tax work

All the paperwork

We'll protect the family

Paying inheritance quickly

**Working with Kings Court Trust meant that I could offer a holistic service for my clients.**

# KINGS COURT TRUST

YOUR PARTNER THROUGH PROBATE

## Support your clients and grow your business by partnering with Kings Court Trust

### What's in it for you?

#### ✓ An enhanced proposition to your client

By adding a probate and estate administration service to your current business model, you can offer your clients a market leading service that removes the stress, effort and liability of dealing with a bereavement. We will also provide you with a generous percentage of fee share for each referred estate we administer.

#### ✓ Potential to grow your business

With every referred estate we administer, we will introduce the beneficiaries back to you. You'll have the opportunity to grow your business by gaining new clients, where typically there will be three or more beneficiaries named in a Will.

#### ✓ Marketing support and literature

#### ✓ Free educational materials

#### ✓ Additional revenue stream via fee share

#### ✓ Support for your clients
